A member of Royal Caribbean's Freedom class of ships, Liberty of the Seas is a large ship that holds up to 4000 guests. The ship's heart is in the central Royal Promenade. With glass staircases and bridges that cross from port to starboard lit in cool purple and blue tones, this area, which soars four decks high, comes alive with daily deal seekers and character parades.

Cruisers on Liberty of the Seas can dine in style in a rich mahogany three-story dining room, each level named in honor of an Italian Renaissance painter, with sparkling chandeliers and romantic sunset views. And there are optional specialty restaurants, as well, making for an easy date night.
