The tour is 2.5-3 hours long and takes you to beautiful locations. It will be hard to board your cruise ship and leave this beauty behind. Price: TBD

## **Day 5: Halifax, Nova Scotia**

October 16, 2025 (Thursday)

Halifax has a rich history and we learn much as we tour this city. We admire the Public Garden, drive around the Citadel Fortress, pass historic homes and stop at the Titanic Cemetery. This cemetery is the final resting place for many of those who lost their lives on the Titanic. We stop for lunch in a quaint fishing village and enjoy lobster rolls or seafood chowder on our own. Next we have a brief visit to the Acadian Maple Factory. A visit to Halifax is not complete without a trip to the fishing village of Peggy's Cove. We feel the sea breeze as we stroll along the picturesque sidewalks and examine the lighthouse. Take a seat on the benches and enjoy the view. Price: TBD

## **Day 6: Saint John, New Brunswick**

October 17, 2025 (Friday)

We explore St. John, a charming Victorian town. Our guide shares the history of the area and we have a chance to visit the City Market full of local vendors peddling their wares. We visit the Loyalist Burial Grounds, Kings Square and the Trinity Royal Heritage Conservation Area. If tidal times favor us, we witness the Reversing Falls, a daily tidal phenomenon that reverses the flow of the St. John River. We visit St. Martin a village founded in 1783. It is known for its fantastic clam chowder, hidden caves and breathtaking rock cliffs. We find out about some of the local marine life such as fish, whales, and seals as we stroll along the rocky shore.
